BEST.PLACE.EVER.

"Magical in every way!! When you arrive on the property you're taken over with a sense of peace, calm and tranquility, truly something to be experienced. As you walk the property it just becomes more and more breathtaking, there are no words. It is, again, something that can only be experienced. The food: very similar experience as the landscape- magical in every way. The guests could not stop raving about the food! The service: brilliant, professional, personal. The staff is absolutely amazing, as accommodating as it gets!! My heart is so full, not just from the beauty of the property and the day, but the beauty of the staff and owners at Oasis. The staff truly made the day and the entire process, well, magical!! My wife and I cannot stop talking about this place since we got married here. We cannot give enough praise to Oasis and the service they provide. They have forever imprinted "magic" in our hearts and minds forever, how do you really put that in a "review?"
