# About Us

Oasis at Wild Horse Ranch is a family owned and operated, twenty-acre, private event center sitting high above the city and surrounded by lush desert. Built in the 1890's, this is the oldest guest ranch in the state. The intrinsic beauty, rich history, and multiple facilities make the ranch a perfect place to hold unforgettable events. Our inclusive package makes wedding planning easy, and can be tailored to fit any size group or budget. Our Liquor License and In-House Chef create a level of service that cannot be beat!

*"My husband and I just celebrated our wedding day with the AMAZING staff at Oasis! To say that they were Amazing is selling them short! From the first meeting to secure the venue, to all of the meetings that lead up to our special day, the service that we received will go on the books as nothing short of IMPECIBLE! My daughter was married here about 7 years ago, so I knew they were great, but this time it was different. They set EVERYTHING up so beautifully! They made my vision a reality, and I could not of picked a better venue to Marry the Man of my dreams. I will hands down tell everyone that will listen about Oasis at Wild Horse Ranch! I could give 100 stars I would..."*  
~Rachel and Manuel~
